

User Macro: Related Content

Purpose

This will make all following confluence tables a specific width

Details

Macro Name	related-content								
Macro-Title	Create Page below Parent								
Description	This Macro creates a headline and display all pages with the same labels as the Page itself								
Categories	Confluence Content								
Documentation URL	http://www.mos-eisley.dk/x/CgBNAQ								
Definition of User Macro	<table border="1"><tr><td><input checked="" type="checkbox"/></td><td>No macro body</td></tr><tr><td><input type="checkbox"/></td><td>Escaped</td></tr><tr><td><input type="checkbox"/></td><td>Unrendered</td></tr><tr><td><input type="checkbox"/></td><td>Rendered</td></tr></table>	<input checked="" type="checkbox"/>	No macro body	<input type="checkbox"/>	Escaped	<input type="checkbox"/>	Unrendered	<input type="checkbox"/>	Rendered
<input checked="" type="checkbox"/>	No macro body								
<input type="checkbox"/>	Escaped								
<input type="checkbox"/>	Unrendered								
<input type="checkbox"/>	Rendered								
Reference	Modified from http://confluence.atlassian.com/display/DISC/Related+Content								

Macro Code Confluence < 5.7

```
